Financial Support

For all the participants:

- Fees for accommodation, meals, tuition and field trips are covered by TTI.
- Airfare and travel insurance are at the participants' own expense.

For those who need extra financial support:

TTI covers part of the air fare (50,000 JPY) for up to two participants.

Please see the application form for details.

Qualifications

- Undergraduate / postgraduate students enrolled in TTI's partner universities
- To be able to take part in the entire eight-day program
- To have English or Japanese proficiency to actively communicate with other participants

How to Sign Up

Please apply at an international relations office in your home university.

A Week at an Engineering Uni in Japan
